

Feedback Form

Thank you for viewing the proposals. Your comments are very important to us and we welcome your feedback.

1. Do you agree that the site is a sustainable location for new residential development that is well connected to the existing village?

Yes  No

Please explain.

2. Which of any of the potential community benefits would you like to see delivered within the village?

Affordable homes

Yes  No

A new 2m wide footpath along the front of the application site where it fronts onto School Lane

Yes  No

The upgrading of the two bus stops on School Lane (closest to the site)

Yes  No

Provision of a part time 20mph speed limit sign along School Lane

Yes  No

A financial contribution toward improving or providing additional playing field facilities for the village

Yes  No

Which of the above do you feel is most important and why?

3. Would the provision of new landscape areas, and surface water drainage and biodiversity improvements be of benefit to the local area?

Yes  No

Please explain.

4. Are there any local sensitivities / characteristics that the development needs to pay particular regard to?

Yes  No

If yes, please indicate what these are.

5. Do you have any further comments?

We would be pleased if you could advise us of where you live? We will not use these details for any other purpose than this consultation.

Name (Optional)

Address

Town
